# SERVICES

## CRYPTOCURRENCY

Cryptocurrency Trading allows customers to trade cryptocurrencies or digital currencies for other assets, such as conventional fiat money, or different digital currencies. We trade & mine top cryptocurrencies like - Bitcoin, Bitcoin Cash, Litecoin, Ethereum, and Fiat money, etc. and our investors enjoy trading conditions no cryptocurrency exchange can provide.

## BITCOIN MINING

Bitcoin mining is the backbone of the Bitcoin network. ... The role of miners is to secure the network and to process every Bitcoin transaction. Miners achieve this by solving a computational problem which allows them to chain together blocks of transactions (hence Bitcoin's famous "blockchain").

## FOREX

People have been trading one currency for another since the beginning of time. Forex trading is the act of buying or selling currencies and it is the largest, most liquid market in the world with an average daily trading volume exceeding \$5 trillion. With the MetaTrader 4 software, we guarantee maximum profit on trades.
